

An aerial photograph of a residential property. The house has a dark roof and a light-colored exterior. A path of dark soil, created by a shovel, leads from the street to the front door. The surrounding area is covered in green grass and some trees. A red location pin is placed on the path, with the text '50 Whippoorwill Ln' next to it. Below the path, yellow text provides instructions for plowing.

50 Whippoorwill Ln

Shovel path to front door from street
Plow Feb 1 - Feb 15 only
